Sorry, forgot to respond to your first question. Yes, we were planning to share the questions with HDOA prior to the interview.

I think time wise that may take longer, but I will check in with Dale to see what he thinks. Thanks!

Hi Brittany.

My initial reaction is that you're seeking a lot of information here. Are you planning on sharing these questions with HDOA before the call? Have you considered allowing them to provide written responses first (RFI style), and then doing a follow-up call?

I'll get back to you with individual comments next week. Just wanted to have better a sense of ECRCO's approach.

Thanks!

Hi Adam-

Attached you will find the draft interview questions to be shared with HDOA. The Region and ECRCO management have already provided input. Let me know if you have any questions. Thanks!
